

Student Membership

This level of membership is open to individuals who are either full-time or part-time students in good standing in any college, junior college, or other school pursuing a course of study as a legal assistant. Student members shall not be entitled to vote at meetings of the Association and may not hold elected office. Such members may, however, chair and/or serve on committees. Any member who has become eligible for voting membership is responsible for notifying the Vice President of the change in classification in the manner adopted by the Executive Board. Student membership dues are \$15.00 annually.
